## IT PAYS TO CHOOSE PERFORMANCE

The mid-sized **Vectio C** offers practical city transport with a host of features that add value to your fleet. Carrying up to 59 passengers, it has a double door in the middle, a manual wheelchair ramp and low entry for maximum convenience. Independent front suspension, ABS and automatic transmission make it easy to manoeuvre smoothly through traffic. Reliable long-term performance is balanced with low purchase and ownership costs, making the **Vectio C** a smart investment.
